- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- *Read Matthew 4:5-7 and Psalm 91.* Satan attempts to quote scripture to Jesus. In what way is this use of scripture an abuse of scripture? What does Satan twist or get wrong?
- Do you think there are kinds of suffering that God does NOT ask of anyone? If so, what are they and why do you think so?

Bringing it Home

- Where or how have you seen suffering bringing something good into the world? What cases can you think of where suffering brings life?
- What does it look like for you to give your life away in quarters? What small thing are you being asked to sacrifice this week so that someone else can be a little more whole?
