- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- How do you make sense of the overall picture of David's character? How do you evaluate him, and why?
- What attitudes or behaviors that rarely get discussed do you think actually have a major (negative) impact on the world or people's own lives?

Bringing it Home

- How do you learn to call yourself out? What does it take to recognize your wrongs as David did?
- What do you think might be your "small thing" that is actually a big thing? (In other words, what attitude or behavior might be easy to overlook or excuse but in reality may be having big impacts on you or the people around you?)
