## Responses & Reactions

- What challenged you or intrigued you in this week's message?

## Digger Deeper

- Why do people often feel the need to take matters into their own hands? How is the lordship of Jesus impacted when they do?
- Do the concepts of "control" and "achievement" have a legitimate place within Christianity? Why or why not?

## Bringing it Home

- Which generally brings you greater personal satisfaction - the achievement of a goal or the process of getting there? What might this reveal about yourself?
- Has trusting God for your desired outcomes in life gotten harder or easier as you have grown older? How does this relate to your understanding of faith?
